Love Like That

Par VARIOUS ARTISTS

Album : VA - Perfect Pop All Day

This is us at our best
at our worst
when we speak
does it feel unrehearse
cause where i wanna be
is far apart

from where we are

from where we are

and i thought i found

a place where we could start,

talk from the heart

But you just say Im perfect,
say Im pretty,

say im worth it

but if you really care for me

say love,

i want you to say love,

i want you to say love,

when i say love you

you jusy say me too

but i want you to say love

it feels like

we can get out at first

when we do

its like were

stuck in reverse

cause where

i wanna be is

far apart from where we are,

from where we are

and i thought i found

a place

where we could start

talk from the heart

talk from the heart

but you just say

im prefect

say im pretty

say im worth it

but if you really care for me

say love i want you to

say love,

i want you to say love

when i say love you

you just say me too

but i want you to say love

ohhhh

ohhhh

yeah

yeahh

ohh ohhhh

ohhhh

yeaahhh
