Love On the Line - Barclay James Harvest

Par VARIOUS ARTISTS

Album : Pop Hits 1980

Love like a burning fire

Creeping up on you

Watch as the flame grows higher

Can you see it through?

Don't you know the die is cast?

Got to keep on running faster than time

And you're riding high above

Are you gonna lay your love on the line?

Out where the light is burning

There's a heart that's true

Sounds of the night returning

Put a spell on you

Don't you know the die is cast?

Got to keep on running faster than time

And you're riding high above

Are you gonna lay your love on the line?
