On The Road Again

Par VARIOUS ARTISTS

Album : Forrest Gump [Disc 2]

On the road again.

Just can't wait to get on the road again.

The life I love is making music with my friends.

And I can't wait to get on the road again.

On the road again Going places that I've never been Seeing things that I may never see again And I can't wait to get on the road again

**On the road again One happy family we go down the highway We're the best of friends
Insisting that the world be going our way**

And our way

Is on the road again Just can't wait to get on the road again The life I love is making music with my friends
And I can't wait to get on the road again

**On the road again One happy family we go down the highway We're the best of friends
Insisting that the world be going our way**

And our way

Is on the road again Just can't wait to get on the road again When we'll ever get there who knows where
or when

We can't wait to get on the road again

On the road again Just can't wait to get on the road again The life I love is making music with my friends I
can't wait to get on the road again

We can't wait to get on the road again

I can't wait to get on the road again

Again
