Perfect Love

Par VARIOUS ARTISTS

Album : VA - 100 Greatest Love Songs

When the light shines,
let the light shine in till the morning.

Perfect Love casts away all fear.

You know the truth will set you free. Free.

I am not who I was before,
swimming deep in a sea of love

Love's the way, Love's the truth, Love's the life.

Love is here. Love's not dead. Love's alive.

Oh your love is all around.

Like the rain and the sunlight falling down

Like the wind, I breathe you in.

I'm alive, I'm alive in you...
