Rich Girl

Par VARIOUS ARTISTS

Album : *Vintage Chic 100 - Part 5*

I've been looking under rocks and breaking locks

Just tryna find ya

I've been like a manic insomniac

5 steps behind you

Tell them other girls, they can hit the exit

Check please...

Cause I finally found the girl of... My dreams

Much more than a Grammy award

That's how much you mean to me

You could be my it girl

Baby you're the shi- girl

Lovin' you could be a crime

Crazy how we fit girl

This it girl

Give me 25 to life

I just wanna rock all night long

And put you in the middle of my spotlight

You could be my it girl

You're my biggest hit girl

Let me play it loud

Let me play it loud like... Oh oh oh oh

Let me play it loud

Let me play it loud like... Oh oh oh oh

Let me play it loud

You can't help but turn them heads

Knockin' them dead

Dropping like flies around you

If I get your body close not letting go

Hoping you're about to

Tell them other guys they can lose your number

You're done!

They don't get another shot cause you're... Love drunk

Like a tv show playing reruns

Every chance I get

I'mma turn you on

You could be my it girl

Baby you're the shi- girl

Lovin' you could be a crime

Crazy how we fit girl

This it girl

Give me 25 to life

I just wanna rock all night long

And put you in the middle of my spotlight

You could be my it girl

You're my biggest hit girl

Let me play it loud

Let me play it loud like... Oh oh oh oh

Let me play it loud

Let me play it loud like... Oh oh oh oh

Let me play it loud

Can't seem to stop you from... Running, running

Through my, through my mind, mind

Just keep it coming, coming

Til I make you mine, mine

You've got that something, something

I wanna be with girl

You're my greatest hit girl

Just say this is it girl...

Hey baby...

Don't you know you're my it girl

You could be my it girl

Baby you're the shi- girl

Lovin' you could be a crime

Crazy how we fit girl

This it girl

Give me 25 to life

I just wanna rock all night long

And put you in the middle of my spotlight

You could be my it girl

You're my biggest hit girl

Let me play it loud

Let me play it loud like... Oh oh oh oh

Let me play it loud

Let me hear you sing it like... Oh oh oh oh

Let me play it loud.
