Rosanna

Par VARIOUS ARTISTS

Album : Back To The 80's (Disc 4)

All I wanna do when I wake up in the morning is see your eyes

Rosanna, Rosanna

I never thought that a girl like you could ever care for me, Rosanna

All I wanna do in the middle of the evening is hold you tight

Rosanna, Rosanna

I didn't know you were looking for more than I could ever be

Not quite a year since she went away, Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

I can see your face still shining through the window on the other side

Rosanna, Rosanna

I didn't know that a girl like you could make me feel so sad, Rosanna

All I wanna tell you is now you'll never ever have to compromise

Rosanna, Rosanna

I never thought that losing you could ever hurt so bad

Not quite a year since she went away, Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

Not quite a year since she went away

Who is it? Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna
