The day the door is closed  
The echoes fill your soul  
They won't say which way to go  
Just trust your heart  
To find what you're here for  
Open another door  
But I'm not sure anymore  
It's just so hard  
Voices in my head  
Tell me they know best  
Got me on the edge  
They're pushin', pushin', they're pushin'  
I know they've got a plan  
But the ball's in my hands  
This time is man-to-man  
I'm drivin', fightin', inside of  
(A world that's upside down)  
It's spinning faster  
What do I do now  
Without you?

**I don't know where to go**

**What's the right team**

**I want my own thing**

**So bad I'm gonna scream**

**I can't chose, so confused**

**What's it all mean**

**I want my own dream**

**So bad I'm gonna scream**

I'm kicking down the walls

I gotta make them fall

Just break through them all

I'm punchin', crushin', I'm gonna

Fight to find myself

Me, and no one else

Which way, I can't tell

I'm searchin', searchin', can't find a

(Way that I should turn)

I should, to right or left, it

It's like nothing works

Without you

**I don't know where to go**

**What's the right team**

**I want my own thing**

**So bad I'm gonna scream**

**I can't chose, so confused**

**What's it all mean**

**I want my own dream**

**So bad I'm gonna scream**

Yeah, the clock's running down,

Hear the crowd getting loud

I'm consumed by the sound

Is it her?

Is it love?

Can the music ever be enough?

**Gotta work it out!**

**Gotta work it out!**

**You can do it!**

**You can do it!**

**I don't know where to go**

**What's the right team**

**I want my own thing**

**So bad I'm gonna scream**

**I can't chose, so confused**

**What's it all mean**

**I want my own dream**

**So bad I'm gonna scream**

**I don't know where to go**

**What's the right team**

**I want my own thing**

**I want my own thing**

**I can't chose, so confused**

**What's it all mean**

I want my own dream

So bad I'm gonna scream

Oh

Ah
