see-saw!!

Par VARIOUS ARTISTS

Album : GWAVE 2009 1st Ace

See saw, see saw

Everybody's traveling on a crazy see saw going up

Down

Up

Down so your life goes by

You're either low or high on the see saw

See saw

You can dream you'll go anywhere you want to go

But that's not so

Somehow you know

The truth is nobody is going anywhere

Nobody is gettin' anywhere

So what if you never get anywhere?

It's still been a hell of a ride

One hell of a ride (everybody's traveling on a crazy see saw, see saw)

Everybody's traveling on a crazy see saw, see saw

Everybody's traveling on a crazy see saw, see saw

Everybody's traveling on a crazy see saw, see saw

Everybody's traveling on a crazy see saw, see saw
