Sometimes

Par VARIOUS ARTISTS

Album : VA - Countryfile: The Album

Sometimes I like to be alone

Sometimes it's better on my own

Sometimes it's okay

If I'm alone to play

Sometimes I'd rather be with you

Sometimes I like it when we're two

Sometimes it's more fun if we're more than one

Sometimes it's better when we're three

Sometimes it's you and you and me

Sometimes there's more to do when we're more than two

Sometimes it's nice when we're four

Sometimes I like it when we're more

Sometimes it's just better when we're all together

But sometimes I like to be alone

Sometimes it's better on my own

Sometimes, it's okay if I'm alone today
