*Album : Pop Hits 1983*

A this a reggae country

Reggae land

Reggae reggae, yeah

Originated in the land of wood and water

Sunny island, we call it Jamaica

Where all the foreigners come and go

The good-good sensi grow

One love jamdown

They call it one love jamdown

**Cah me say reggae jam boogie cyaan done inna reggae jamdown**

**Cyaan done, cyaan done**

**Put away the hate, the knife and the gun**

**Come and let's have some fun, this ya reggae jamdown**

**Aye, reggae jamdown**

**Reggae jamdown**

**Island in the sun, the sun**

I said the weed is fresh and green  
Singers and DJs a nice up the scenes  
You can't afford to be mean  
Just rolling, rolling  
I beg you riding, riding  
Riding with your queen  
Rolling with your queen, I said  
And leave your machine  
'Cause it's a irie feeling

**Irie, irie**

Such a irie feeling

**Irie, irie**

Inna sunshine reggae, reggae, reggae

**Sunshine reggae**

**Said this a sunshine reggae, reggae, reggae**

**Sunshine reggae, hey**

**Cah me say reggae jam boogie cyaan done inna reggae jamdown**

**Cyaan done, cyaan done**

**Put away the hate, the knife and the gun**

**Come and let's have some fun, this ya reggae jamdown**

Said this ya reggae jamdown, hey

Like an epidemic, it take over the world

Consuming heart and souls

Reggae inna full control
