Don't stray

Don't ever go away

I should be much too smart for this

You know it gets the better of me

Sometimes

When you and I collide

I fall into an ocean of you

Pull me out in time

Don't let me drown

Let me down

I say it's all because of you

And here I go

Losing my control

I'm practicing your name

So I can say it

To your face it doesn't

Seem right

To look you in the eye

Let all the things

You mean to me

Come tumbling out my mouth

Indeed it's time

Tell you why

I say it's

Infinitely true

Say you'll stay

Don't come and go

Like you do

Sway my way

Yeah I need to know

All about you

And there's no cure

And no way to be sure

Why everything's turned inside out

Instilling so much doubt

It makes me so tired

I feel so uninspired

My head is battling with my heart

My logic has been torn apart

And now

It all turns sour

Come sweeten

Every afternoon

Say you'll stay

Don't come and go

Like you do

Sway my way

Yeah I need to know

All about you

Say you'll stay

Don't come and go

Like you do

Sway my way

Yeah I need to know

All about you

It's all because of you

It's all because of you

Now it all turns sour

Come sweeten

Every afternoon

It's time

Tell you why

I say it's

Infinitely true

Say you'll stay

Don't come and go

Like you do

Sway my way

Yeah I need to know

All about you

Say you'll stay

Don't come and go

Like you do

Sway my way

Yeah I need to know

All about you

It's all because of you

It's all because of you

It's all because of you
