# The Flame

Par VARIOUS ARTISTS

*Album : 21 Love Songs*

Another night slowly closes in and i feel so lonely

Touching heat freezing on my skin i pretend you still hold me

I'm going crazy i'm losing sleep i'm in too far

**I'm in way too deep over you**

I can't believe you're gone you were the first you'll be the last

Wherever you go i'll be with you

Whatever you want i'll give it to you

Whenever you need someone

To lay your heart and head upon

Remember after the fire after all the rain

**I will be the flame**

**I will be the flame**

Watching shadows move across the wall

Feels so fright'ning

I wanna run to you i wanna call

But i've been hit by lightning

Just can't stand up for falling apart

Can't see through this veil across my heart over you

**You'll always be the one**

**You were the first**

**You'll be the last**

I'm going crazy

I'm losing sleep

**I'm in way too deep over you**

**You'll always be the one**

**You were the first**

**You'll be the last**
