The Shining

Par VARIOUS ARTISTS

Album : The Chillout Session

A simple band of gold

Wrapped around my soul

Hard forgiving, hard forget

Faith is in our hands,

Castles made of sand

No more guessing, no regrets

And you came my way on a winter's day

Shouted loudly "Come out and play!"

Can't you tell? I got news for you

Sun is shining and so are you

And we're gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you

...

And we're gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you

...

Sun is shining and so are you

Diamonds to behold,

Waiting to unfold

Bite the bullet, bite your tongue

Love beyond believe, raid the seven seas, come uneven, come undone

And you came my way on a winter's day Shouted loudly "Come out and play!"

Can't you tell? I got news for you

Sun is shining and so are you

And we gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you (7 times)

Can't you tell? I got news for you

Sun is shining and so are you

...

And we gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you (8 times)
