# The Way It Is

Par VARIOUS ARTISTS

*Album : VA - The 80's*

Standing in line marking time--  
Waiting for the welfare dime  
'Cause they can't buy a job  
The man in the silk suit hurries by  
As he catches the poor old ladies' eyes  
Just for fun he says "Get a job"

**That's just the way it is**

**Some things will never change**

**That's just the way it is**

**But don't you believe them**

They say hey little boy you can't go

Where the others go

'Cause you don't look like they do

Said hey old man how can you stand

To think that way

Did you really think about it

Before you made the rules

He said, Son

**That's just the way it is**

**Some things will never change**

**That's just the way it is**

**But don't you believe them**

Well they passed a law in '64

To give those who ain't got a little more

But it only goes so far

There's a the law that don't change another's mind

When all it sees at the hiring time

Is the line on the color bar

**That's just the way it is**

**Some things will never change**

That's just the way it is

But don't you believe them...
