Try

Par VARIOUS ARTISTS

Album : Now That's What I Call Music! 45

Ever wonder about what he's doing

How it all turned to lies

Sometimes I think that it's better

to never ask why

Where there is desire

There is gonna be a flame

Where there is a flame

Someone's bound to get burned

But just because it burns

Doesn't mean you're gonna die

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

Funny how the heart can be deceiving

More than just a couple times

Why do we fall in love so easy

Even when it's not right

Where there is desire

There is gonna be a flame

Where there is a flame

Someone's bound to get burned

But just because it burns

Doesn't mean you're gonna die

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

Ever worried that it might be ruined

And does it make you wanna cry?

When you're out there doing what you're doing

Are you just getting by?

Tell me are you just getting by by by

Where there is desire

There is gonna be a flame

Where there is a flame

Someone's bound to get burned

But just because it burns

Doesn't mean you're gonna die

You gotta get up and try try try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try

You gotta get up and try, try, try
