# Unbroken

Par VARIOUS ARTISTS

*Album : Greatest Hits 3*

Until today I believed

without a doubt,

I had gone down this road

way too far to turn around.

I'd carry the weight of the past on my back till the day I die.

But thanks to you, now I realize.

That every lie that's been told can be untold.

**And every soul that's been sold**

**can be unsold.**

**Every angry word that's been spoke can be unspoken.**

**Every heart, that's been broke,**

**can be unbroken.**

I know that it takes a lot of guts to tell the truth.

And a heart won't be fixed overnight, when it's broke in two.

You never gave up on me,

even though I kept pushing you away.

You showed me how

it's not too late to change. Yeah.

And every lie in that's been told can be untold.

**And every soul that's been sold**

**can be unsold.**

**Every angry word that's been spoke can be unspoken.**

**Every heart, that's been broke,**

**can be unbroken.**

And be forgiven.

It's never too late to be forgiven. Yeah ye-ah!

Cause every lie that's been told can be untold.

**And every soul that's been sold**

**can be unsold.**

And every angry word that's been spoke can be unspoken.

And every heart, that's been broke, can be unbroken.

Yeah, could be unbroken.
