Lets get down to business

to defeat the huns

did they send me daughters

when i asked for sons

You're the saddest bunch I've ever met

But you can bet before we're though

Mister, I'll make a man

Out of you

Traquil as a forest

But on fire within

Once you find your center

You are sure to win

You're a spineless, pale,

pathetic lot

and you haven't got a clue

somehow I'll make a man out of you

I'm never gonna catch my breathe

Say goodbye to those who knew me

Why was I a fool in school for cutting gym

This guy's got them scared to death

Hope he doesn't see right through me

Now I really wish that I knew how to swim

**(Be a man)**

You must be swift as the coursing river

**(Be a man)**

**With all the force of a great typhoon**

**(Be a man)**

**With all the strength of a raging fire**

**Mysterious as the dark side of the moon**

Time is racing towards us until the Huns arrive

heed my every order and you might survive

You're unsuited for the rage of war

So pack up, go home, your through

How could I make a man out of you?

**(Be a man)**

You must be swift as a coursing river

**(Be a man)**

**With all the force of a great typhoon**

**(Be a man)**

**With all the strength of a raging fire**

**Mysterious as the dark side of the moon**

**(Be a man)**

We must be swift as a coursing river

**(Be a man)**

**With all the force of a great typhoon**

**(Be a man)**

**With all the strength of a raging fire**

**Mysterious as the dark side of the moon**
