When You Say Nothing at All

Par VARIOUS ARTISTS

Album : De pré historie: De jaren '90 (De ultieme 10 CD collectie)

It's amazing how you can speak right through my heart

Without saying a word, you could light up the dark

Try as I may, I could never explain

What I hear when you don't say a thing

The smile on your face lets me know that you need me

There's a truth in your eyes saying you never leave me

The touch of your hand says you catch me whenever I fall

You say it best, when you say nothing at all

All day long, I can hear people talking out loud

But when you hold me near, you drown out the crowd

Try as I may, they could never define

What's been said between your heart and mine

The smile on your face lets me know that you need me

There is a truth in your eyes saying you never leave me

The touch of your hand says you catch me wherever I fall

You say it best (you say it best)

When you say nothing at all

The smile on your face lets me know that you need me

There's a truth in your eyes saying you never leave me

The touch of your hand says you catch me whenever I fall

You say it best (you say it best)

When you say nothing at all

You say it best, when you say nothing at all

You say it best, when you say nothing at all

The smile on your face, the truth in your eyes

The touch of your hands, let me know that you need me

You say it best, when you say nothing at all

You say it best, when you say nothing at all
