# Wind of Change

Par VARIOUS ARTISTS

*Album : Les Tubes de vos 20 ans ? 1991*

My heart is filled, with love and care

Not an ounce of gas, I would get up there

The answer's simple

You lift me up

The view up here, I see all the stars

There go Venus, and there go Mars

Somethin' you been through

You're from above

Hey, when I first saw you, I got excited

**Tried to keep my composure, tryna hide it**

**But I didn't know**

**I didn't let go**

Then it occurred to me while tryna fight it

Just like a kite, you learn to ride it

**But I didn't know**

You're s'posed to let it go

**Like a gust of wind**

**You hit me off sometimes**

**Like a gust of wind**

**You push me back every once in a while**

**Like a gust of wind**

**You remind me there's someone up there**

**Who whooshes in**

**The air I need to power myself**

What's That Line?

**When I open the window**

**I wanna hug you**

**'Cause you remind me of the air**

**I said yeah**

**'Cause when I'm feelin' real low**

**I remember I love you**

**I put my hands in the air**

**And you were there**

With your love, I can board the skies  
Finding a way that electrifies, mother's your other  
Cannot stow away  
Telephone winds of the northern sky  
Is the closest thing, and here is why  
'Cause we're color  
You blow me away  
  
I need you, like I'm breathing  
Music umbrellas can make one cover

**Who cares if they don't see you?**

Don't you know that they're the same?  
I need it like I'm breathing  
If you never discover, forever you'll suffer

**Who cares if they don't see you?**

You got until then to learn the way

Like a gust of wind

You hit me off sometimes

Like a gust of wind

You push me back every once in a while

Like a gust of wind

You remind me there's someone up there

Who whooshes in

The air I need to power myself

When I open the window

I wanna hug you

'Cause you remind me of the air

I said yeah

'Cause when I'm feelin' real low

**I remember I love you**

**I put my hands in the air**

**And you were there**

When I first saw you, I got excited

**Tried to keep my composure, tryna hide it**

**But I didn't know**

**I didn't let go**

Then I realized I'm tryna fight it

Just so they can learn to ride it

**But I didn't know**

I had to let it go
