Wings

Par VARIOUS ARTISTS

Album : Wildberry Lillet 2023 | Sommerhits

Mama told me not to waste my life

She said spread your wings my little butterfly

Don't let what they say keep you up at night

And if they give you sh...

Then they can walk on by

My feet, feet can't touch the ground

And I can't hear a sound

But you just keep on running up your mouth, yeah

Walk, walk on over there

Because I'm too fly to care

Your words don't mean a thing

I'm not listening

Keep talking, all I know is

Mama told me not to waste my life

She said spread your wings my little butterfly

Don't let what they say keep you up at night

And they can't detain you

Because wings are made to fly

And we don't let nobody bring us down

No matter what you say it won't hurt me

Don't matter if I fall from the sky

These wings are made to fly

I'm firing up on that runway

I know we're going to get there someday

But we don't need no ready steady go, no

Talk, talk turns into air

And I don't even care, oh yeah

Your words don't mean a thing

I'm not listening

Keep talking, all I know is

Mama told me not to waste my life

She said spread your wings my little butterfly

Don't let what they say keep you up at night

And they can't detain you

Because wings are made to fly

And we don't let nobody bring us down

No matter what you say it won't hurt me

Don't matter if I fall from the sky

These wings are made to fly

I don't need no one saying hey, hey, hey, hey

I don't hear no one saying hey, hey, hey, hey

You'd better keep on walking

I don't want to hear your talking, boy'd

You'd better keep on walking

I don't want to hear your talking, boy'd

Your words don't mean a thing

I'm not listening

They're just like water off my wings

Mama told me not to waste my life

She said spread your wings my little butterfly

Don't let what they say keep you up at night

And they can't detain you

Because wings are made to fly

And we don't let nobody bring us down

No matter what you say it won't hurt me

Don't matter if I fall from the sky

These wings are made to fly

And we don't let nobody bring us down

No matter what you say it won't hurt me

Don't matter if I fall from the sky

These wings are made to fly
