# Wish You Were Here

Par VARIOUS ARTISTS

*Album : Gold Instrumental Collection, Volume 3*

I can be tough

I can be strong

But with you its not like that at all

There's a girl who gives a shit

Behind this wall you just walk through it

And I remember all those crazy things you said you left them riding through my head your always there  
your everywhere but right now I wish you were here all those crazy things we did didn't think about it just  
went with it

**Damn damn damn**

**What i'd do to have you here here here**

**I wish you were here**

**Damn damn damn**

**What i'd do to have you near near near**

**I wish you were here**

I love the way you are

It's who I am don't have try hard

We always say say like it is

And the truth is that I really miss

All those crazy things you said you left

Them riding through my head your always there your everywhere but right now you

Were here

All those crazy things we didn't think about it just went with it your always there your everywhere but right now I wish you were here

**Damn damn damn**

**What i'd do to have you here here here**

**I wish you were here**

**Damn damn damn**

**What i'd do to have you near near near**

**I wish you were here**

No i don't wanna let go

That I just wanna let you to know

I never wanna let go

(Let go let go let go let go let go)

**Damn damn damn**

**What i'd do to have you here here here**

**I wish you were here**

**Damn damn damn**

**What i'd do to have you near near near**

**I wish you were here**

**Damn damn damn**

**What i'd do to have you here here here**

**I wish you were here**

**Damn damn damn**

**What i'd do to have you near near near**

**I wish you were here**
