*Album : With A Little Help From My Friends*

What would you think if I sang out of tune  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

**Oh, I get by with a little help from my friends**

Mmm, I get high with a little help from my friends

**Mmm, gonna try with a little help from my friends**

What do I do when my love is away  
Does it worry you to be alone?  
How do I feel by the end of the day  
Are you sad because you're on your own?

No, I get by with a little help from my friends

**Mmm, get high with a little help from my friends**

**Mmm, gonna try with a little help from my friends**

**Do you need anybody?**

I need somebody to love

**Could it be anybody?**

**I want somebody to love**

Would you believe in a love at first sight?

Yes, I'm certain that it happens all the time

What do you see when you turn out the light?

I can't tell you but I know it's mine

**Oh, I get by with a little help from my friends**

**Mmm, get high with a little help from my friends**

Oh, I'm gonna try with a little help from my friends

**Do you need anybody?**

I just need someone to love

**Could it be anybody?**

**I want somebody to love**

Oh, I get by with a little help from my friends

Mmm, gonna try with a little help from my friends

Oh, I get high with a little help from my friends

Yes, I get by with a little help from my friends

With a little help from my friends
