With Or Without You

See the stone set in your eyes

See the thorn twist in your side

I wait for you

Sleight of hand and twist of fate

On a bed of nails she makes me wait

And I wait without you

With or without you

With or without you

I can't live

With or without you

With or without you

Through the storm we reach the shore

You give it all but I want more

And I'm waiting for you

With or without you

With or without you

I can't live

With or without you

With or without you

With or without you

I can't live

With or without you

With or without you

My hands are tied

My body bruised, she's got me with

Nothing to win and

Nothing left to lose

And you give yourself away

And you give yourself away

And you give, and you give

And you give yourself away

With or without you

With or without you

I can't live

With or without you

With or without you

With or without you

With or without you

I can't live

With or without you

With or without you

With or without you

I can't live

With or without you

With or without you
