# Yesterday

*Album : Lounge Rock*

**Yesterday, all my troubles seemed so far away**

Now it looks as though they're here to stay

**Oh, I believe in yesterday**

Suddenly, I'm not half the girl I used to be

There's a shadow hanging over me

Oh, yesterday came suddenly

Why he had to go?

I don't know, he wouldn't say

He said something wrong

Now I long for yesterday

Yesterday love was such an easy game to play

Now I need a place to hide away

**Oh, I believe in yesterday**

Yesterday, all my troubles seemed so far away

Far away, far-far away (far way)
