DC Talk / Between You And Me

Par Various

Album : WoW 1997 Disc 1

Oh-oh, oh-oh-oh-oh

(Just between) Hey-hey

Sorrow is a lonely feeling

Unsettled is a painful place

I've lived with both for far too long now

Since we've parted ways

I've been wrestling with my conscience

And I found myself to blame

If there's to be any resolution

I've got to peel my pride away

Just between you and me

I've got something to say

Wanna get it straight

Before the sun goes down

Just between you and me

Confession needs to be made

Recompense is my way to freedom now

Just between you and me

I've got something to say

If confession is the road to healing

Forgiveness is the promised land, oh

I'm reaching out in my conviction

I'm longing to make amends, yeah

So I'm sorry for the words I've spoken

For I've betrayed a friend

We've got a love that is worth preserving

And a bond I will defend

Just between you and me

I've got something to say

Wanna get it straight

Before the sun goes down

Just between you and me

Confession needs to be made

Recompense is my way to freedom

Just between you and me

I've got something to say

In my pursuit of God

I thirst for holiness

As I approach the Son

I must consider this

Offenses unresolved

Will keep me from the throne

Before I go to Him

My wrong must be atoned

If there's to be any resolution

I've got to peel this pride away

Ooh, whoa, whoa, whoa

Just between you and me

I've got something to say

Wanna get it straight (oh)

Before the sun goes down

Just between you and me

(Just between) confession needs to be made

Recompense is my way to freedom

It's my way to freedom

It's my way to freedom

It's my way to freedom (oh, oh)

I've got something to say

So let me say it today

It's my way to freedom (oh, oh)

It's my way to freedom

I've got something to say

Confession needs to be made

It's my way to freedom

It's my way to freedom (oh, oh)

I've got something to say

Confession needs to be made

It's my way to freedom (oh, oh)

It's my way to freedom

I've got something to say (oh, oh)
