Don't Stop Believin'

Par Various

Album : More Than A Feeling

Just a small town girl

Livin' in a lonely world

She took the midnight train going anywhere

Just a city boy

Born and raised in South Detroit

He took the midnight train going anywhere

A singer in a smoky room

A smell of wine and cheap perfume

For a smile they can share the night

It goes on and on and on and on

Strangers

Waiting

Up and down the boulevard

And shadows

Searching in the night

Street light

People

Livin' just a fine emotion

Hiding

Somewhere in the night

Workin' hard to get my fill

Everybody wants a thrill

Paying anything to roll the dice

Just one more time

Some will win

Some will lose

Some are blown to sing the blues

And though the movie never ends

It goes on and on and on and on

Strangers

Waiting

Up and down the boulevard

And shadows

Searching in the night

Street light

People

Livin' just a fine emotion

Hiding

Somewhere in the night

Don't stop

Believin'

Hold on to that feelin'

Street light

People

Don't stop

Believin'

Hold on to that feelin'

Street light

Don't stop
