Only You (And You Alone)

Par Various

Album : The Heart of Rock 'N' Roll - Slow Dancing Classics

Only you

Can make this world seem right

Only you

Can make the darkness bright

Only you and you alone

Can thrill me like you do

And fill my heart with love for only you

Baby only you

Can make this change in me

For its true

You're my destiny

And when you hold my hand I understand

The magic that you do

You're my dream come true

My one and only you

Ohhh only you

Baby, its so true

You are my destiny

When you hold my hand, I understand

The magic that you do
