I'm calling out from Scatland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy

I'm calling out from Scotland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy

Everybody's talkin' something very shockin'

Just to keep on blockin' what they're feeling inside

But listen to me, brother, you just keep on walkin'

'Cause you and me and sister ain't got nothing to hide

Scatman, fat man, black and white and brown man

Tell me 'bout the color of your soul

If part of your solution isn't ending the pollution

Then I don't want to hear your stories told

I want to welcome you to Scatman's World

Babobeh-bopbopahdop-babababa

Babedi-babobeh-babopbedop-bababapi

Babedi-babobeh-popbopbedop-babobeh

Bopbopbedop-babobeh-popbopbedop-bababababehdi

I'm calling out from Scatland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy

Everybody's born to compete as he chooses

But how can someone win if winning means that someone loses?

I sit and see and wonder what it's like to be in touch

No wonder all my brothers and my sisters need a crutch

I want to be a human being, not a human doing

I couldn't keep that pace up if I tried

The source of my intention really isn't crime prevention

My intention is prevention of the lie, yeah

Welcome to that Scatman's World

Babobeh-bopbopahdop-babababa

Babedi-babobeh-babopbedop-bababapi

Babedi-babobeh-popbopbedop-babobeh

Bopbopbedop-babobeh-popbopbedop-bababababehdi

I'm calling out from Scatland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy

Hey-yeah!

Babobeh-bopbopahdop-babababa

Babedi-babobeh-babopbedop-bababapi

Babedi-babobeh-popbopbedop-babobeh

Bopbopbedop-babobeh-popbopbedop-bababababehdi

I'm calling out from Scatland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy

Listen to me

I'm calling out from Scatland

I'm calling out from Scatman's World

If you wanna break free, you better listen to me

You've got to learn how to see in your fantasy
