# Should I Stay Or Should I Go

Par Various

*Album : The Original (Songs From Levi's Commercials)*

Darling you got to let me know

**should i stay or should i go**

if you say that you're mine

i'll be here 'til end of time

so you got to let me know

**should i stay or should i go**

its always tease tease tease

you have...

one day is fine and next is black
