# Seether

Par Veruca Salt

*Album : American Thighs*

Seether is neither loose nor tight

Seether is neither black nor white

I tried to keep her on a short leash

I tried to calm her down

I tried to ram her into the ground, yeah

**Can't fight the seether**

**Can't fight the seether**

**Can't fight the seether**

**I can't see her 'til I'm foaming at the mouth**

Seether is neither big nor small

Seether is the center of it all

I tried to rock her in my cradle

I tried to knock her out

I tried to cram her back in my mouth, yeah

**Can't fight the seether**

**Can't fight the seether**

**Can't fight the seether**

**I can't see her 'til I'm foaming at the mouth**

Keep her down, boiling water

Keep her down, what a lovely daughter

Oh, she is not born like other girls

But I know how to conceive her

Oh, she may not look like other girls

But she's a snarl-toothed seether, seether

**Can't fight the seether**

**Can't fight the seether**

**Can't fight the seether**

**I can't see her 'til I'm foaming at the mouth**

Can't fight the seether

Can't fight the seether

Can't fight the seether

I can't see her 'til I'm foaming at the mouth, yeah
