Victim of the Times

Par Vista Kicks

Album : Twenty Something Nightmare

Help me

Help me

Help me make the best of myself

Tell me that you love me but it's

Hard to tell

Letters aren't coming in the mail

And I'm in jail

Help me make the best of myself

There's always light shining

Somewhere else

Running out of water in the well

Nothing left to sell

Can you believe that there's nobody on your side?

How does it feel?

You're a victim of the times

Help me make the best of myself

In another life I was

Raising hell

Freedom doesn't come without a price

And I'm paying twice

Help me make the easy of myself

I need someone to care for me like no one else

Give me one shot to make it right

And I won't fight

Can you believe that there's nobody on your side?

How does it feel?

You're a victim of the times

There's nothing wrong with being alone

It's just hard to carry on

Somebody's calls and you answer the phone

And the next thing you know they're gone

Can you believe that there's nobody on your side?

How does it feel?

You're a victim of the times

Help me, help me, help me, yes

Help me, help me, help me, yes

Help me

Help me

Help me

Help me

Help me make the best of myself
