I Think I Love You

Par Voice Of The Beehive

Album : Video Hits The Greatest Covers (Disc 2)

I'm sleeping and right in the middle of a good dream

Like all at once i wake up from somthing that keeps knocking at my brain before I go insane I pull my pillow to my head and spring up in my bed

Screaming out the words I dread

I think I love you

This moring I woke up with this feeling

I didn't know how to deal with

And so I just decided to myself I'd hide it to myself

And never talk about it and didn't go and shout it when you walked in to the room

I think I love you

I think I love you

So what am I so afraid of

I'm afraid that I'm not sure of

A love there is no cure for

I think I love you

But that's not what life is made of
Though it worries me to say
That I never felt this way
Believe me you really don't have to worry
I only wanna make you happy
And if you say hey go away I will
But I think I better still
I better stay around and love you
Till I think you have a case
Let me ask you to your face
Do you think you love me?

I think I love you

I think I love you

I think I love you

I think I love you

I think I love you

I think I love you

I think I love you
