All We Are

Par Warlock

Album : East Meets West 1987

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

There's beauty in the heart of a beast

Fear behind the eyes of a thief

I know you know we're all incomplete

Let's get together and let's get some relief

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

Stronger than a mountain of steel

Faster than hell on wheels

We've got, we've got all the power we need

Let's build a playground on this old battlefield

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

Now we're stronger

We no longer want you bringin' us down

We've got the magic

So we're gonna spread the magic around, yeah

Now we're stronger

We no longer want you pushin' us

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

All we are

All we are, we are, we are all

All we need

All we are

We are all, all we need

All we are

We are all, all we need

All we are

We are all, all we need

All we are

We are all, all we need

All we are

We are all, all we need

All we are

We are all, all we need
