Saturday Night's Alright for Fighting

Par WASP

Album : The Best of the Best 1984-2000

Well, it's getting late, have you seen my mates?

Tell me when the boys get here

It's seven o'clock and I got to rock

Got to get a belly full of beer

Well, my old man's drunker than a barrel full of monkeys

And my old lady, she don't care

My sister looks cute in her braces and boots

A handful of grease in her hair

Oh, don't give us none of your aggravation

We had it with your discipline

Saturday night's alright for fighting

Get a little action in

Get about as oiled as a diesel train

Gonna set this dance alight

Saturday night's the night I like

Saturday night's alright, alright, alright

Well, they're packed pretty tight inside here tonight

I'm looking for a dolly to see me right

I can use a little muscle to get what I need

And have a little drink and shout out, she's with me

A couple of the sound that I really like

Are the sounds of a switchblade and a motorbike

I'm a juvenile product of the working class

Whose best friend floats in the bottom of a glass

Oh, don't give us none of your aggravation

We had it with your discipline

Saturday night's alright for fighting

Get a little action in

Get about as oiled as a diesel train

Gonna set this dance alight

Saturday night's the night I like

Saturday night's alright, alright, alright

Oh, don't give us none of your aggravation

We had it with your discipline

Saturday night's alright for fighting

Get a little action in

Get about as oiled as a diesel train

Gonna set this dance alight

Saturday night's the night I like

Saturday night's alright, alright, alright

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Night's alright

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Night's alright

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Saturday, Saturday, Saturday

Night's alright
