Messin' Me Up (Ardalan Messin' Me Mix)

Par What So Not

Album : Messin' Me Up (Ardalan Remixes)

Yeah I knew if from the start

When I stained you from the dark

You keep on messin' me up

You keep on messin' me up

All my colors red & blue

Now I steal them back from you

You keep on messin' me up

You keep on messin' me up

Yeah, yeah, yeah

I'm gonna back me up

I'm gonna set me off

I'm gonna get me one

Gonna Regret me uh

I... I'm gonna set my fire

You keep on messin' me up

You keep on messin' me up

You keep on messin' me up

You keep on messin' me up

You keep on messin' me up

Yeah I knew if from the start

Counting fractures of my heart

Yeah it gets me every time

I don't want to sit in lies

Yeah, yeah, yeah

I'm gonna back me up

I'm gonna set me off

You keep on pushing me

I'm gonna break into counter attack

Me uh

I... I'm gonna set my fire

You keep on messin' me up
