Give Me All Your Love

Par Whitesnake

Album : Whitesnake (Remastered) (JP Import) (SHM-CD)

When I first saw you baby

You took my breath away

I knew your name was trouble

But, my heart got in the way

I couldn't stop myself from reaching out

I could not turn away

I don't even know your name

An' I can't leave you alone

I'm running round in circles

Like a dog without a bone

I know the game you're playing

But, baby I just can't let go

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight

I'll work hard everyday

To love and treat you right

I'll rock you in the morning

And roll you in the night

Any way you want

I'm gonna prove my love for you.

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight, tonight, tonight

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight, aww

I am blinded by your smile

And I'm crazy about your walk

I shiver and I shake

When I hear you baby talk

I'm a fool for your loving babe

Give me all your love tonight

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight

Anything you want from me

So give me all your love tonight

Give me all your love tonight

I'll do anything you want

Just give me all of your loving tonight, tonight, tonight, ha
