for the love of you

Par Whitney Houston

Album : The Collection WEB

Hey baby

I'm living for you

Drifting on a memory

Ain't no place I'd rather be

Than with you, loving you

Day will make the way for night

All we need is candlelight

And a song, soft and long

Well, you'd like to think

We're alone with a love unlike no other

Sad to see, a new horizon

Slowly coming into view

I wanna be living

For the love of you

All that I'm giving

Is for the love of you

Lovely as a ray of sun

That touches me

When the morning comes

Feels good to me, my lovin' me

Yeah yeah yeah

Smoother than a gentle breeze

Flowing from my mind with ease

Soft as can be

Well, when you're loving me, ooh baby

Love to be, riding the waves of your love

Enchanted with your touch

It seems to me, we can sail together

In and out of mystery

I wanna be living

For the love of you

All that I'm giving

Is for the love of you

Paradise, I have to think

Can't feel as secure again

You're the key and this I see

Now and then I lose my way

Usin' words to try

And say what I feel

Oh yeah, your love is real

I might as well sign my name on a card

That's been sayin' better

See, time will tell

'Cause it seems that I've done

Just about all that I can do

I wanna be living

For the love of you

All that I'm giving

Is for the love of you

I wanna be living

For the love of you

All that I'm giving

Is for the love of you

I wanna be living

For the love of you

All that I'm giving

Is for the love of you

I wanna be living

For the love of you

All that I'm giving

Is for the love of you
