# I Will Always Love You

Par Whitney Houston

*Album : KuscheRock 25 [CD3]*

If I should stay

I would only be in your way

So I'll go, but I know

I'll think of you every step of the way

**And I will always love you**

**I will always love you**

You

My darling, you, mm, mm

Bittersweet memories

That is all I'm taking with me

So goodbye, please don't cry

We both know I'm not what you, you need

**And I will always love you**

**I will always love you**

You

I hope life treats you kind

And I hope you have all you've dreamed of

And I wish you joy and happiness

But above all this, I wish you love

**And I will always love you**

**I will always love you**

**I will always love you**

**I will always love you**

**I will always love you**

I, I will always love you

You

Darling, I love you

I'll always, I'll always love you
