If You Say My Eyes Are Beautiful (Duet With Jermaine Jackson)

Par Whitney Houston

Album : Whitney Houston - The Greatest Hits

If you say my eyes are beautiful

It's because they're looking at you

And if you could only see yourself

You'd feel the same way too

You could say that I am a dreamer

Who's had a dream come true

If you say my eyes are beautiful

It's because they're looking at you

Ooh, if you wonder why I'm smiling

It's because I'm happy with you

And the warm sensations touch my heart

And fill me through and through

I could hold you close forever

And never let you go

If you say my eyes are beautiful

It's because I just love you so

Oh, now my heart is an open door

Won't you come inside for more?

You can love so sweetly now

Take my love, take me completely now

Oh, if you say my eyes are beautiful

It's because they're looking at you

And my eyes are just the window, oh

For my feelings to come through

And by far you are more beautiful

Than anything, I ever know

If you say my eyes are beautiful

If you say my eyes are beautiful

If you say my eyes my eyes are beautiful

Oh, it's because, it's because

They're looking at you

(What a beautiful song)
