# Whitney Houston Duet With Cissy Houston / I Know Him So Well

Par Whitney Houston

*Album : Whitney*

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
From wanting far too much for far too long  
Looking back, I could have done it differently  
Won a few more moments, who can tell?  
But it took time to understand the man  
Now at least I know, I know him well  
Wasn't it good, Wasn't it fine

**Isn't it madness he can't be mine**

**But in the end, he needs a little more than before**

**Security, he needs his fantasy and freedom**

## **I know him so well**

No one in your life is with you constantly  
No one is completely on your side  
And though I move my world to be with him  
Still the gap between us is too wide  
Looking back, I could have played it differently  
Learned about the man before I fell  
But I was ever so much younger then  
Wasn't it good (oh so good), Wasn't it fine (so fine)

## **Isn't it madness he can't be mine**

Didn't I know how it would go  
If I knew from the start  
Why am I falling apart  
Wasn't it fine

## **Isn't it madness he can't be mine**

## **But in the end, he needs a little more than before**

## **Security, he needs his fantasy and freedom**

## **I know him so well**

It took some to understand him  
Hoo ooh I know him so well
