Let's See Action

Par Who

Album : The Ultimate Oldies But Goodies Collection Volume 86

Let's see action

Let's see people

Let's see freedom

Let's see who cares

Take me with you

When you leave me

And my shell behind us there

I have learned it

Known who burned me

Avatar has warmed my feet

Take me with you

Let me see you

Time and life can meet

Nothing is

Everything

Everything is

Nothing is

Please the people

Audiences

Break the fences

Nothing is

Let's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who cares

Let's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who cares

Give me a drink boy, wash my feet

I'm so tired of running from my own heat

Take this package and here's what you do

Gonna get this information through

I don't know where I'm going

I don't know what I need

But I'll get to where I'm gonna end up

And that's alright by me

Let's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

And see who cares

Let's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who cares

Nothing is

Everything

Everything is

Nothing

Nothing is

Everything

Everything is

Nothing
