Freaks Come Out at Night

Par Whodini

Album : Rappers Delight, Disc 1

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

Discos don't open till after dark

And it ain't till twelve till the party really starts

And I always had to be home by ten

Right before the fun was about to begin

Crowds of people lined inside and out

Just for one reason, to rock the house

But in the day time the streets was clear

You couldn't find a good freak anywhere, 'cause

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

Now when freaks get dressed to go out at night

They like to wear leather jackets, chains and spikes

They wear rips and zippers all in their shirts

Real tight pants and fresh mini skirts

All kinds of colors runnin' through their hair

And you could just about spot a freak anywhere

But then again, you could know someone all their life

And might not know they're a freak unless you see them at night, 'cause

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

Now the party's jumpin', the place is packed
And when the crowd's like this, I'm ready to rap
But before I could bust a rhyme on the mic
Freaks is all over me like white on rice
Freaks come in all shapes, sizes and colors
But what I like about 'em most is that they're real good lovers
They do it in the park, they do it in the dark
But most freaks are known for breakin' hearts
You could never tell what a freak was thinkin' of
And you may never catch a freak without at least one glove
And they don't walk, when they step, they strut
Nine times out of ten they drive you nuts
But take my advice, you don't stand a chance
Freaks are so bad they got their own dance
So if you wanna live a nice quiet life
Do yourself a favor, don't come out at night, 'cause

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night

The freaks come out at night
