I Won't Change the Way That I Feel

Par Wilde, Kim

Album : Love Is

If I live a thousand years or more
You'll still be the one I'm living for
And every night I whisper a prayer
That every day of my life you will always be there, yeah

I can't stop the world from changing

I can't say what time may reveal

But I know from now until forever

I won't change the way that I feel

I won't change the way that I feel about you baby

If I only have one life to live

I will give you all I have to give

So don't believe these are faithless times

'Cause as long as I live, you will always be mine

I can't stop the world from changing

I can't say what time may reveal

But I know from now until forever

I won't change the way that I feel

I won't change the way that I feel

I won't change the way I feel

I won't change the way that I feel

I won't change the way that I feel

I won't change the way that I feel

I can't stop the world from changing

I can't say what time may reveal

But I know from now until forever

I won't change the way that I feel

I won't change the way that I feel about you baby

I won't change the way that I feel

I won't change the way that I feel

I won't change the way I feel about you baby, no, no, no

I won't change the way I feel about you baby, oh, no
