### Art-I-Ficial

Par X-Ray Spex

*Album : Germ Free Adolescents*

Art-i-ficial!

I know I'm artificial

But don't put the blame on me

I was reared with appliances

**In a consumer society**

When I put on my make-up

The pretty little mask not me

That's the way a girl should be

**In a consumer society**

**I-I am a consumer society**

**I-I am a consumer society**

**Existence elusive**

**The kind that is supported**

**By mechanical resources**

**Existence elusive**

**The kind that is supported**

**By mechanical resources**

**I want to be Instamatic**

**I want to be a frozen pea**

**I wanna be dehydrated**

**In a consumer society**

**I-I am a consumer society**

**I-I am a consumer society**

**Existence elusive**

**The kind that is supported**

**By mechanical resources**

**Existence elusive**

**The kind that is supported**

**By mechanical resources**

**I-I am a consumer society**

**I-I am a consumer society**

**I want to be Instamatic**

**I want to be a frozen pea**

**I wanna be dehydrated**

**In a consumer society**

**I-I am a consumer society**

**I-I am a consumer society**

**I-I am a consumer society**
