Art-I-Ficial

Par X-Ray Spex

Album : Germ Free Adolescents

Art-i-ficial!

I know I'm artificial

But don't put the blame on me

I was reared with appliances

In a consumer society

When I put on my make-up

The pretty little mask not me

That's the way a girl should be

In a consumer society

I-I am a consumer society

I-I am a consumer society

Existence elusive

The kind that is supported

By mechanical resources

Existence elusive

The kind that is supported

By mechanical resources

I want to be Instamatic

I want to be a frozen pea

I wanna be dehydrated

In a consumer society

I-I am a consumer society

I-I am a consumer society

Existence elusive

The kind that is supported

By mechanical resources

Existence elusive

The kind that is supported

By mechanical resources

I-I am a consumer society

I-I am a consumer society

I want to be Instamatic

I want to be a frozen pea

I wanna be dehydrated

In a consumer society

I-I am a consumer society

I-I am a consumer society

I-I am a consumer society
