Helicopter

Par XTC

Album : Drums And Wires | 2014 Steven Wilson Mix

Oh heli, Oh heli

I'm crouching here with a telescope in hand

Looking out across our lego land

I really think it's about time that she came down

She a laughing giggly whirlybird

She got to be obscene to be obheard

I really think its about time that she came down

And I object to all the air male that she pick up

The air male that she pick up

The air male that she pick up

When she's up there twirling round

Just like a helicopter - copter

She's landing on the town

It's about time that I stopped her - stopped her

When she's up there twirling round

Just like a helicopter - copter

Oh heli - Oh heli

Now she's away from convent she's gone wild

Grown from a nice young lady to a child

I really think its about time that she came down

She a laughing giggly whirlybird

She got to be obscene to be obheard

I really think it's about time that she came down

And I object to all the air male that she pick up

The air male that she pick up

The air male that she pick up

When she's up there twirling round

Just like a helicopter - copter

She's landing on the town

It's about time that I stopped her - stopped her

When she's up there twirling round

Just like a helicopter - copter

Oh heli - Oh heli

When she's up there twirling round

Just like a helicopter - copter

She's landing on the town

It's about time that I stopped her - stopped her

When she's up there twirling round

Just like a helicopter - copter

Oh heli - Oh heli - Oh heli

When she's up there twirling round

Like a helicopter - copter

She's landing on the town, Look out, town

It's about time that I stopped her - stopped her

When she's up there floating round, round, round, round...

Oh heli - Oh heli
