My Desire

Par Yolanda Adams

Album : The Praise & Worship Songs

Take away any desire in me that hurts You

Take away anything that stands between You and me

I want to be what You created me to be

It's my desire that You find favor in me

Lord, take away anything that displeases You

Take away any evil thought within me

Take away anything that proves to break Your heart

I want to be in sweet communion with You

It's my desire to do everything You want me to do

Lord, take away anything that displeases You

Remove all doubt, all insecurity

Erase all hate, all iniquity

Discard all the fear found deep within me

Lord, take away anything that displeases You

Take away Lord

Take away

Take away any desire in me that hurts You

Take it away
