# My Desire

Par Yolanda Adams

*Album : The Praise & Worship Songs*

**Take away any desire in me that hurts You**

Take away anything that stands between You and me

I want to be what You created me to be

It's my desire that You find favor in me

**Lord, take away anything that displeases You**

Take away any evil thought within me

Take away anything that proves to break Your heart

I want to be in sweet communion with You

It's my desire to do everything You want me to do

**Lord, take away anything that displeases You**

Remove all doubt, all insecurity

Erase all hate, all iniquity

Discard all the fear found deep within me

**Lord, take away anything that displeases You**

Take away Lord

Take away

**Take away any desire in me that hurts You**

Take it away
