### Pill

Par Zeus X Crona

*Album : Pill*

Oh, you make me wanna talk back

Talk back to you

Say you, say you like that

If I hate you then find someone new

**Baby, but you know I never will, no**

**So I choke you down just like a pill**

Oh, yeah

**Take you like a pill**

And my fill, fill, fill

You're like a pill, pill, pill

To get my fill, fill, fill

No, oh-oh, no

Do me in the worst way

Don't let me sleep

Never say you're sorry

Maybe I'll leave

**Baby, but you know I never will, no**

**So I choke you down just like a pill**

Oh, yeah

**Take you like a pill**

Get my fill
